

# 111 Weatherproof Silicone Sealant

## Versatile 100% Neutral Silicone Sealant

A high-performance sealant designed for a wide range of architectural and industrial sealing applications where long-term durability is essential.

With excellent adhesion to numerous substrates and smooth, easy tooling characteristics, NEMPAL® 111 offers superior application performance and professional finish quality. Its outstanding weathering and aging resistance ensures reliable service in demanding environments.

Code	Description	Color	Content	Packing
111T	<b>Weatherproof Silicone Sealant</b>	Translucent	<b>300 ml / cartridge</b>	<b>24 cartridges / carton</b>
111MB		Matt Black		
111MLG		Matt Light Grey		
111MW		Matt White	<b>600 ml / sausage</b>	<b>20 sausages / carton</b>
111TS		Translucent		
111MBS		Matt Black		
111MLGS		Matt Light Grey		
111MWS		Matt White		

**Applications:** Suitable for a wide range of indoor and outdoor construction, architectural weatherproofing, and industrial sealing applications.

# 111 Weatherproof Silicone Sealant

Versatile 100% Neutral Silicone Sealant

## Features & Benefits

**1**

**Not Cost-Down by Mineral Oil**  
(100% Silicone Oil Plasticizer - Much More Durable)

Adhesion Failure

Crack / Chalk

Cohesive Failure

Excessive Oil Staining

**2**

**Easy Application & Tooling**

**3**

**No Sagging & Stringing**

**4**

**No Popping During Application**

**5**

- No Grainy Texture
- No Bubble

**Smooth & Clean Finishing**

**6**

ASTM C794 Adhesion-in-Peel Test

**High Adhesion Strength**

**7**

Metal

Concrete

Glass

**Safe on Most Substrates**

**8**

Truly 300 ml  
not 300 g  
not 270 ml  
not 300 g (g.w.)

**No Underfilling**

**9**

Purpose-Made Plunger Profile

**Minimal Wastage**

**10**

**Compliant to Standards**
