

NEMPAL®

111 Weatherproof Silicone Sealant

Versatile 100% Neutral Silicone Sealant

A high-performance sealant designed for a wide range of architectural and industrial sealing applications where long-term durability is essential. With excellent adhesion to numerous substrates and smooth, easy tooling characteristics, NEMPAL® 111 offers superior application performance and professional finish quality. Its outstanding weathering and aging resistance ensures reliable service in demanding environments.

Code	Description	Colour	Content	Packing
N111T300	Weatherproof Silicone Sealant	Translucent	300 ml / cartridge	24 cartridges / carton
N111MB300		Matt Black		
N111MLG300		Matt Light Grey		
N111MW300		Matt White		
N111TS600		Translucent	600 ml / sausage	20 sausages / carton
N111MBS600		Matt Black		
N111MLGS600		Matt Light Grey		
N111MWS600		Matt White		

Translucent	Matt Black	Matt Light Grey	Matt White		

Applications: Suitable for a wide range of indoor and outdoor construction, architectural weatherproofing, and industrial sealing applications.

Window & Door

Glass Curtainwall

Skylight

Glass Canopy

Aluminium
Composite Panel

111 Weatherproof Silicone Sealant

Versatile 100% Neutral Silicone Sealant

Features & Benefits

1

Not Cost-Down by Mineral Oil
(100% Silicone Oil Plasticizer - Much More Durable)

Adhesion Failure

Crack / Chalk

Cohesive Failure

Excessive Oil Staining

2

Easy Application & Tooling

3

No Sagging & Stringing

4

No Popping During Application

5

- No Grainy Texture
- No Bubble

Smooth & Clean Finishing

6

ASTM C794
Adhesion-in-Peel Test

High Adhesion Strength

7

Metal **Concrete** **Glass**

Safe on Most Substrates

8

Truly 300 ml
not 300 g
not 270 ml
not 300 g (g.w.)

No Underfilling

9

Purpose-Made
Plunger Profile

Minimal Wastage

10

ASTM C920
